TOP "FIVE" handwriting tips...

#1. use pencil first!
* get a great eraser...
* keep it handy!
(bite off the one on the pencil!)

#2. try different "joint" sizes...

use really fine tips for really fine/small areas!
experiment with LOTS of different pens to find the ones you like!!

#3. use black ink.
write on lighter paper.

#4. mix it with
STAMPS

#5. try shadowing
with a grey pen!

P.S. practice, practice!
